

What is not necessary when educating at home.

- ❖ You do NOT have to register with the Department of Education or be certified to offer homeschooling to your children.
- ❖ You are NOT required to be affiliated with an organization or support group.
- ❖ DOES NOT have to present evidence of the curriculum they are going to use to deactivate
- ❖ The degree of schooling of the parents should NOT be shown.

The DE does not provide guidance on homeschooling (it only provides guidance for re-entry into public school).
