

“Certified” Teachers

- ❖ Teachers with licenses or certificates are employees of a private or public institution.
- ❖ Many contact us asking how they are certified to offer HS because to be certified in the traditional system you have to present credentials, but such certification does not exist in HS.
- ❖ The HS is not regulated in PR but businesses are. If you hire a particular teacher is suggested to request from him:
 - Merchant Registration (minimum)
 - Law No. 300 of September 2, 1999, "Law on the Verification of Credentials and Criminal History of Providers to Children, Persons with Disabilities, Elderly and Health Professionals," as amended by Law No. 224 of 17 December 2015.
- ❖ If they are working on their own, the PR Education Council cannot intervene in any situation. It will be your responsibility and if any inconvenience occurs their only way will be legal.
 - Avoid engaging in tax evasion
 - Establish the parameters of the service to be provided and the extent of responsibility for teaching.
