- ❖ Children flow and study where they feel best.
- ❖ It is not necessary to purchase furniture that later becomes impractical or if you do not have a place to put it. (desks, tables, desks, etc.)
- ❖ From experience and anecdotes, they study on the floor, sofa, bed, dining table, etc.
- ❖ Be flexible in terms of hours and attire. No need to purchase uniforms. Remember that it is a lifestyle and we do not intend to bring school into the house.
