

The Father as Teacher - Expert

- ❖ In homeschooling, the parent is more than a teacher; it's a resource facilitator. We do not need to know everything, we do not consider ourselves experts in the subjects and we do not have to have courses in pedagogy.
- ❖ External resources to work on specialized topics:

Books made for homeschoolers

Tutors

Internet pages

Libraries

Professionals

Educational cooperatives

Teachers' Guides

Magazines

Educational platforms

Modules

Apps

Board games

Interactive Games

Manipulative
